To Whom It May Concern,

It is with great pleasure to write a letter of recommendation on behalf of Sara Kraft. Sara has been my Social Work partner for the past 2 ½ years at Hillel Day School. She is an incredible team player and co-worker with remarkable insight.

While working together at Hillel, we have collaborated on many student cases, various presentations and parenting workshops. Sara was innovative in developing a school wide Mensch Program. She created and facilitated character education components to teach students the meaning of Mensch. In addition, Sara facilitated skill building groups covering various topics such as friendship, conflict resolution, anxiety and coping skills groups to meet the needs of the students at Hillel. She is very good at connecting with parents and communicating student needs.

Sara is an excellent Social Worker who cares deeply for the students and families she works with. She is always very professional and hardworking. Sara is supportive with the teachers and works very hard to meet the individual needs of each student emotionally, socially and behaviorally. Students, parents and teachers seek out her support and guidance.

Sara will be greatly missed at Hillel Day School. She will be an asset to any school or organization.

Sincerely,

Elissa Sternberg, MSW
